

GENERATION A 12

In 2020 Generation A program takes a fresh start with a new approach and new ideas. This time we'll have targeted selection and training in the following domains: **Analytical**, **Creative** and **Business**. We have created exceptional possibilities for you to invest your potential and talent in the areas you are best at.

If you are active, enthusiastic and goal-driven, and seeking growth opportunities is what motivates you, join the Generation A!

Enjoy the benefits of on-job training* by professionals and become part of **Ameria Dream Team**.

We believe you can make a conscious choice. Before applying for the program, read the descriptions of all professional domains carefully, figure out where your strengths fit the best and make sure you select **only one domain**. Your choice will be final.

** One of the perks of Generation A is that you will be paid during training.*

Who is eligible?

- Young people aged 21-27
- From Armenia and Diaspora
- Deadline: **March 15, 2020** inclusive
