

ARMENIAN STATE  
UNIVERSITY OF  
ECONOMICS

# The Young minds solving climate change

**Date:** 09.03 - 16.03.2022

**Place:** Berlin, Germany

**Venue:** A&O Berlin Mitte

**Description:** The youth exchange will involve 45 participants from 9 different countries. The main aim of “The young minds solving climate change” is to bring youths closer to the process of environmental protection and the climate change issues around the EU. The activities of this youth exchange will promote different ideas, opinions, practices, methodologies for creating activities for promotion of the GREEN EU and GREEN HABITS for protection of the environment against climate change. The project will use non formal learning methodology including methods such as: ice breakers, energizers, name games, reflection groups, working into intercultural subgroups, facilitated discussion, creative presentations, simulation, case study and debates.

Working language: English

**Costs:** No participation fee. Travel expenses will not be reimbursed.

**Accommodation:** The accommodation costs are covered. During the days of the training course participants will be accommodated in 6-bed rooms in A&O Berlin Mitte. 3 times meal per day is also included.

**Travel:** You can also stay 2 days longer or arrive 2 days earlier and explore the area at your own expense.
