

## Requirements for Articles Submitted for Publication in “Messenger of ASUE”

The article can be submitted in Armenian, Russian, English and according to the following format: **title of the article, abstract, keywords, author's name, surname, scientific degree and title**, which are required to be submitted in Armenian, Russian and English. The author's email, phone number should be also mentioned.

### CONTENT

Scientific results, which are priority in the mentioned field and have never been published, should be presented in the article.

Here are the sections required:

- ABSTRACT,
- KEYWORD,
- INTRODUCTION,
- LITERATURE REVIEW,
- RESEARCH METHODOLOGY,
- FINDINGS, ANALYSES,
- CONCLUSIONS,
- REFERENCES.

It is required to separate these sections by heading. If necessary, the content of the article can be divided into separate sections with their subtitles.

1. **Abstract:** the main content and results of the research (up to 100-200 words) should be presented in Armenian, Russian and English,

2. **Keyword:** no more than 7 words,

3. **Introduction:** an overview of the topic's actuality, purpose, and recent developments (up to 100-200 words).

4. **Literature Review:** an analysis of the scientific literature on the topic of the research is being carried out. The main guidelines developed by other researchers in the study of the topic are presented (300-1200 words).

**5. Research Methodology:** the research methodology and toolkit are presented, justifying the necessity of their selection (200-700 words).

**6. Analyses:** The research object's patterns, trends, development directions, obstacles, etc., are identified, which form the main results of the research (1000-2500 words).

**7. Conclusions:** Brief description of the main research results (up to 200-500 words).

**8. References:** It is presented sequentially in Armenian, Russian, English keeping the alphabetical order. Only sources containing online links are listed at the bottom.

The article can be submitted in the range of 2000-6000 words.

### **TECHNICAL REQUIREMENTS OF ARTICLE**

Font: GHEA Grapalat, font size: 12, line spacing: 1.5, page size: A4, margins: 3 cm left, 1.5 cm right, 2 cm top, 2 cm bottom, references in footnote, in the following order: source author, title, place of publication, year (the issue in case of periodicals) and page. Only sources containing online links are provided in full (link). The charts and tables presented in the article should have editorial permission.

### **ARTICLES OF PUBLICATION OF ARTICLE**

Submitted articles will be sent to anonymous ("blind") review by two independent experts and will only be available for publication after they receive a favorable opinion. If the scientific and technical requirements are not met, the article will not be published and the opinion of the independent experts will be sent to the author (author group).

The articles reviewed by the anonymous review system should meet the following requirements:

- science,
- originality,
- actuality,
- quality.

**Science:** scientific discussion elements in the publication.

**Originality:** the results presented in the article should not be known and previously published

**Actuality:** importance, usefulness and applicability of the ideas, methods described in this article

**Quality:** the scientific, technical and/or methodological harmonization of the article, the accuracy and veracity of the results and references, enabling to find true evidence.

The independent reviewer will decide if the submitted article meets the mentioned requirements . Accordingly, the editorial board will adopt one of the following decisions:

- To publish
- X To publish after correcting mistakes,
- Not to publish.
